

About Chadwick T&T

Chadwick T&T, part of the Tonkin & Taylor Group of Companies, is a provider of engineering and environmental consulting services throughout Australia and the wider Asia-Pacific region.

Our team of professional and technical staff are able to deliver a range of services to clients. Key capabilities include:

- Environmental Assessment and Auditing
- Toxicology and Risk Assessment
- Environmental Engineering
- Geotechnical Investigations
- Geotechnical Engineering
- Pavement Investigations
- Pavement Engineering
- Groundwater Investigations
- Landfill and Solid Waste Management
- Drilling Services
- Laboratory and Field Testing.

Our multi-disciplinary team is committed to working closely with clients to ensure that innovative, sustainable and cost effective solutions are provided.

At Chadwick T&T we employ in excess of 100 staff. When combined with the 650 engineers, scientists and technical staff available within the wider T&T Group, we are able to provide considerable expertise and experience to our clients across the Environmental, Civil, Geotechnical and Water Resource disciplines.
